

GOLD FINGER

The World's Only Accurate, Real-time, Security & Access Reporting Solution for Active Directory

The diagram illustrates the Gold Finger process. It starts with a computer icon labeled 'Gold Finger'. A red dotted arrow points to a clock icon labeled '2 minutes'. Another red dotted arrow points to a network diagram labeled 'Your Active Directory'. A final red dotted arrow points down to three sample 'ACCESS REPORT' boxes. Each box lists the top 10 individuals who can perform specific tasks in the Active Directory.
